

KATHERINE FERNANDEZ RUNDLE
STATE ATTORNEY
ELEVENTH JUDICIAL CIRCUIT OF FLORIDA

COMMUNITY OUTREACH DIVISION

Dear Friends,

I would like to introduce our Community Outreach Division. This division of the State Attorney's Office was formed to carry out a unique task – to help the citizens of Miami-Dade County become familiar with the resources available to them through this office and educate them on how to go about obtaining these services. My goal is to make the community feel that their State Attorney's Office is accessible to them when they need us the most.

While this is primarily a prosecuting agency, we offer many diverse programs aimed at crime prevention, helping youth, families and the elderly. Examples of our outreach programs are "*Justice in Motion*," our 37 foot mobile office, "*Child Fingerprinting Program*," "*SAO Kids Smart Program*," "*Identity Theft Prevention Program*," "*One Stop Sealing and Expungement Workshop*," and "*Domestic Violence Information...Be Informed*."

I hope that we can be of service to your organization and that you will take advantage of these and other valuable programs we provide. Let's work together to make Miami-Dade a safer place to live, work and raise our families!

For more information, please call the Community Outreach Division at 305-547-0724.

Sincerely,

A handwritten signature in cursive script that reads "Kath Fernandez Rundle".

"JUSTICE IN MOTION"

It is with great excitement that we share information about our community outreach program entitled "*Justice in Motion*" (*JIM*). This is a 37-foot mobile office equipped with state-of-the-art technology for community-based interviewing of victims and witnesses, and public education. We are dedicated to making this community a safer place to live, work, and raise our families.

The program's main purpose is to take *JIM* to those victims and witnesses who are unable to come to our office for help, interviewing, and/or services. In addition, our intention is to educate, inform, and enhance our community relations. We believe that the services we provide to the public are appreciated. However, we also believe that our citizens want and need to be educated about the judicial process and have access to information about other services and crime prevention programs offered by our office.

We invite you to use *JIM* for your community events, business luncheons; wherever you think *JIM* could be of service. Feel free to contact our Community Outreach Coordinators listed on the flyer or visit our website: www.MiamiSao.com for more information or to request *JIM*.

For further information please call the Community Outreach Division at (305) 547-0724.

"JUSTICIA EN ACCIÓN"

Es con gran regocijo que compartimos información acerca de nuestro programa de relaciones comunitarias titulado "*Justicia en Acción*" (*JIM*.) Es una oficina móvil de 37 pies, equipada con tecnología de vanguardia para entrevistar a víctimas y testigos en sus comunidades, y para educación del público. Nuestra dedicación es hacer que esta comunidad sea un lugar más seguro en que vivir, trabajar y criar a nuestras familias.

El propósito principal de este programa es llevar *JIM* a aquellas víctimas y testigos que no pueden venir a nuestra oficina para ser entrevistados, buscar ayuda y/o servicios. Además, nuestra intención es educar, informar, y realzar nuestras relaciones comunitarias. Creemos que los servicios que proveemos al público son agradecidos. Sin embargo, también creemos que nuestros residentes quieren y necesitan ser educados acerca del proceso judicial y tener acceso a información de otros servicios y programas de prevención de crimen que son ofrecidos por nuestra oficina.

Le invitamos a usar *JIM* para sus eventos comunitarios, almuerzos de negocios, en donde usted crea que *JIM* puede ser utilizado. Por favor llame a nuestros Coordinadores de Relaciones Comunitarias que están nombrados en el rótulo de *JIM* o visite nuestra página de Internet: www.MiamiSAO.com para solicitar a *JIM*.
